

MICHOU LOVES JESUS

Michou

Michou is 16 years old!! She lived with her Father who made a living as a Voodoo Priest. She had food and went to school and had a roof over her head but she was mixed up with the wrong crowd and involved in some bad situations. Through the people in our Neply Church, Michou accepted Christ. She was so happy and full of joy. When she told her Father about Jesus, he became angry and forced her to leave. Suddenly Michou found herself with nothing.....no food, no home, no education and was sent to live on the streets. One night right after she was told to leave, I was in Haiti and we had gone to pray with another family. As we gathered around to pray, Michou was standing directly in front of me and began to sing a song. I still remember the expression and sincerity I saw in her eyes as she began to sing a Creole song that in English says.....Lord, Put me where you want me, even though it's not a place where I want to be—Lord, I'll let you put me wherever you want me to be! As I watched Michou sing, I saw her love for Jesus shine through.....even at 16 years old and losing everything because of accepting Jesus, she was not going to give up. Michou is an amazing young girl.....I haven't ever seen her without a big smile on her face. She has touched my life and her Faith in God has inspired me in so many ways! We appreciate those of you who continue to send in support for the many needs in Haiti. It's because of you that we are able to help people like Michou with food, shelter, education or employment and encourage them to keep loving Jesus and not give up.

“APREDIEU” MEANS “AFTER GOD!!”

Apredieu

In the village of Ti-Brache , a very poor lady, went into the sugar cane field one day. As she walked through, she found a young boy afraid and hiding very quietly. He was so frightened and he had wounds and sores on his arm, legs and back. She told him not to be afraid and she asked him where he was from. He then told her his story. He said he knows he lives far away but doesn't know the name of the village where he came from and he also doesn't know his legal name but only his Haitian nickname (this is very common in Haiti) He then said that he had been kidnapped by some voodoo people and they were using him in their voodoo ceremonies and had burned him and cut him sometimes. He also knew that they had planned to use him as their human sacrifice soon. One day he said he prayed to God for help and when they had left the room he was able to escape and he ran and ran and then hid in the cane field where the lady from Ti-Brache found him. Since we want to protect him and we don't know where he really came from, he is now in our care. We have rented the poor woman who found him a better place to live and she will care for him. We are helping them both with food and clothing plus other needs they have. Apredieu now goes to our church in Ti-Brache!! We believe with a name like he has-- which means "After God" that God does have amazing plan for his life.

GOD ANSWERS PRAYER FOR SHELTER ALLIANCE

Shelter Alliance

Recently we received an urgent request that we felt needed our immediate attention. The request was for an emergency surgery for a 15 year old girl named Shelter Alliance. In her family there are 7 people and they are extremely poor. Any money they have had has been spent to buy pain medication for their daughter Shelter. Shelter had a tumour growing on her "bottom" for about 6 years and it has given her a lot of pain and discomfort. In the past few months though, it had been growing fast and became very large making it next to impossible to sit down because she was off balance and also had extreme pain. With all of her pain, and of course being embarrassed about the rapid growth and the way she looks, she said that she wanted to die and had been threatening that she would let herself die -because she did not want to live like that anymore. We urged her to pray and see what God would do for her and Praise God because He supplied us with the funds needed to send her through all the pre-op tests she needs, schedule a date for her surgery and cover all of her hospital costs and medications involved. PRAISE GOD for His faithfulness!! This girl has questioned God many times and wondered if He loves her.....well.....He does --and this answer to prayer has really shown her how much God loves her and cares about her needs!!!
