

Photos From Our Nepley Area Ministries!

Below are a few photos sent to us by Pastor Antoine. He is currently very busy organizing the village and aiding those who are still trapped or hurt. He said he didn't have much time to take photos but he said he will send us more soon. For now here are some photos of homes that were destroyed and of the temporary living structures that people have made out of bedsheets, sticks, towels, and whatever else they can find in the rubble.

Please continue to pray and spread the word about their situation!
